

GULFSTREAM G700 [ULTRA-LONG-RANGE]

Gifted with generational size and speed, it is an apex presence true to the word. The fastest aircraft in the Flexjet fleet and that Gulfstream has ever produced, it devours long-range missions up to 7,750 NM with streamlined precision. As calculating as it is captivating—the Gulfstream engineering legacy imparts proven aerodynamics and innovative winglet design to complement the powerful Rolls-Royce Pearl 700 engines for a smoother, faster and more fuel-efficient flight.

Boasting more than just impressive performance, the Flexjet Gulfstream G700™ offers an ultra-spacious cabin environment that completely redefines onboard living and wellness. Powerful yet pampering—the Gulfstream G700 has a physical effect on how you experience travel and how travel affects you. By replenishing 100% of the cabin air with fresh, plasma-ionized air every two to three minutes, operating with the industry's lowest cabin altitude and employing an ultra-high-definition circadian lighting system that mimics sunrise and sunset, any lingering sense of jet lag is greatly mitigated. This allows you to arrive at your destination perfectly acclimated, refreshed and rejuvenated.

GULFSTREAM G700 SPECIFICATIONS

PASSENGER CAPACITY

UP TO 15 PASSENGERS*
+ 1 CABIN SERVER

BAGGAGE CAPACITY

195 FT³

SPEED

567 KNOTS

MAXIMUM OPERATING RANGE

7,750 NM

ENDURANCE

10 HOURS [STANDARD CREW]

12 HOURS [SINGLE AUGMENTED CREW]

16 HOURS [DOUBLE AUGMENTED CREW]*

CABIN ALTITUDE

2,840 FT [AT 41,000 FT]

**Based on cabin configuration*

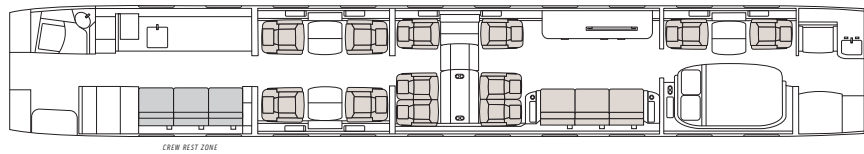

CABIN AMENITIES

ARTICULATING TABLET HOLDERS
BLUETOOTH
ESPRESSO MACHINE
FOUR-ZONE ENTERTAINMENT AUDIO SYSTEM
FREEZER & REFRIGERATOR
FULL REFRESHMENT CENTER
FULLY ENCLOSED AFT LAVATORY
HD EXTERNAL CAMERA SYSTEM
HDMI PORTS
IN-FLIGHT LUGGAGE ACCESS
INTEGRATED CABIN MANAGEMENT SYSTEM
INTERNALLY ACCESSIBLE CLOSET

KA-BAND HIGH-SPEED WI-FI® / STARLINK**
MICROWAVE & STEAM/CONVECTION OVENS
PLASMA CABIN AIR IONIZATION SYSTEM
POWER OUTLETS & USB-C CHARGING PORTS
PRIVATE ENTERTAINMENT SPACE
QUARTZ COUNTERTOPS
QUEEN-LENGTH BED
UHD CIRCADIAN LIGHTING SYSTEM
VIDEO MONITORS
WATER STERILIZATION SYSTEM
WATERFORD® CRYSTAL

***Starlink fleet-wide installation underway*

CABIN OVERVIEW

56 FT 11 IN

Please note that these are approximations and that all speed/ranges are affected by weather, passenger count, runway length and prevailing winds. The statements about performance, design, design tolerances and the images shown are solely based on projections and forecasts and are subject to change without notice.
